EDUCATION

DIGIPEN INSTITUTE OF TECHNOLOGY, SINGAPORE

Bachelor of Science in Real-Time Interactive Simulation (expected graduation 2028)

Singapore

Sept 2024 - Present

- Maintained a cGPA of above 4.0/5.0
- Achieved 'A' grade for year 2 game engine project

NANYANG POLYTECHNIC, SINGAPORE

Diploma in Cybersecurity & Digital Forensics

Singapore

Apr 2019 - Feb 2022

EXPERIENCE

BEYONDSOFT SINGAPORE

Software Test Engineer Intern

May 2021 - Aug 2021

- My role is to test software and print outputs to verify functionality and ensure accurate calibration, helping to catch errors before deployment.
- Document detailed bug reports and proactively collaborate with developers to track and follow up on software issues, maintaining an organised and efficient pipeline.

TRANSITLINK, SINGAPORE

Customer Service (Part-time)

Jan 2019 - Feb 2019

- Assist elderlies at self-service ticket kiosks, patiently guiding them through the interface to ensure smooth, stress-free travel and reduce wait times at staffed counters.
- Demonstrate deep user empathy and clear communication by maintaining a proactive, can-do attitude while troubleshooting user issues in fast-paced, high-volume environment.
